Quintess Denta

Location: Co Fermanagh

Closure of dental surgeries due to the coronavirus pandemic meant cashflow dried up almost overnight for Quintess Denta, so CEO James Hamill and his team had to move quickly to identify new opportunities.

"Support from the NI Small Business Loan Fund allowed us to bridge a gap when cashflow was non-existent and combined with income from the sale of PPE, enabled us to create a buffer and reinvest in the company. We're now using the Fund towards futureproofing the company further by opening a world class dental education centre."

James Hamill, CEO, Quintess Denta

Copeland Distillery

Location: Co Down

The Copeland Distillery story started in the summer of 2016, when Gareth Irvine, Founder, successfully raised £30,000 from crowdfunding. The NI Small Business Loan Fund has supported Copeland Distillery in the next stage of its development.

"With support from the NI Small Business Loan Fund we were able to build our Donaghadee premises - The Copeland Distillery - which now houses our ever-growing spirit production, provides a space for day-to-day operations and allows us to deliver tours to the public."

Gareth Irvine, Founder, Copeland Distillery
